FLEYA - Frequently Asked Questions

Q. Is the program only for high school students?

A. Yes, the program has been designed for high school freshmen/sophomores/juniors to ensure that they have at least one year remaining in their academic career at the school. This enables students to share the information they have learned and serve as peer mentors, when appropriate.

Q. Is the essay important?

A. Yes, the essay is important, as it is often the first element of the application package that is reviewed by our panelists. The essay will allow an opportunity for the student to highlight their understanding of current event issues and leadership. In other words, a high GPA in absence of a well-written essay and vice versa can be problematic.

Q. Does a student have to have specific experience or interest in law enforcement to be a successful candidate?

A. No, a student does not need to be in a criminal justice program, explorers program, ROTC, etc. The primary objective is to identify students who are capable of leadership and have an interest in law enforcement.

Q. Is this experience similar to an internship?

A. The FBI Milwaukee FLEYA is not an internship, and while students may be offered case studies drawn from adjudicated cases, students will not be exposed to active cases or day-to-day investigations.

Q. Is there any charge for the FLEYA program?

A. No, FLEYA is free of charge to those accepted into the program. Students will be housed in dorms on the Marquette University Campus. Students will be asked to provide khaki-color pants and black shoes as part of the uniform.

Q. Can an accepted student into the program leave campus to work or attend school sporting events?

A. No, once a student is part of the accepted FLEYA class, they are to remain on campus, under supervision of program chaperones, for the duration of the weeklong program. Additionally, students are not permitted to have visitors during the week.

Q. Is the application essay required?

A. Yes, the essay is required as it is the first element of the application reviewed by our panelists. The essay will allow an opportunity for the student to highlight their understanding of current event issues and leadership.

Q. Can I fax my completed application?

A. Yes. While email submission is the preferred method, applications can be faxed to 414-489-3400 ATTN: FLEYA
